

Here at CHP Food Pantry, we care about all our neighbors!  
During this time of concern about virus potential, we ask that  
the following procedures be followed.

If you are experiencing any of the following symptoms:

**FEVER            COUGH**  
**CHEST CONGESTION**  
**SHORTNESS OF BREATH**

We ask that you return to your vehicle and call the following  
number from the parking lot:

**706-867-9621 ext. 309**

A food pantry team member will assist you in your vehicle. This  
will help us contain the spread of viruses. If you do exhibit signs  
of the COVID-19, we believe that remaining in your vehicle will  
allow us to prevent the spread of germs in our food pantry.

Staff and Volunteers are taking extra cleaning and disinfecting  
policies during this time.

We ask that you practice preventative measures such as good  
hand-washing and covering your mouth to avoid spreading the  
virus. We appreciate your assistance!
